Syl's through the years...

In 1925 Paul Spolarich built and opened a men's shoe store that also carried a line of work clothes. The retail space was sold and subsequently converted to a tavern, grocery, bakery, and several eateries including the "Chat and Chew Restaurant". Sylvia and Sulo Laitala opened Syl's Country Kitchen in 1972. Syl's Cafe originally catered to shift workers, pouring early morning coffee and serving breakfast before dayshift at the local copper mine, paper mill and shipyard.

Syl's granddaughter, Kathy Wardynski assumed ownership in 1994 and continues the family legacy of delicious homemade meals. Now named Syl's Cafe our restaurant has been a cornerstone of the community for nearly 50 years. Several of our staff are third and even fourth generation! We take pride in providing outstanding food and customer service and avidly support community activities and youth programs.

Thank you for your business!
